

The Clinical Training Center for Family Planning announces the **Title X Preceptor Training Course**

The CTCFP Preceptor Training prepares Title X preceptors to provide individualized transitional role support for less experienced and new family planning practitioners.

The Preceptor Training includes:

- Foundational knowledge and skills in the preceptor role
- Adult learning principles
- Competency-based instruction
- Assessing, planning, implementing and evaluating learning activities
- Factors affecting the preceptor-preceptee relationship
- A unique clinical skills lab practicum experience

All interested Title X Nurse Practitioners, Midwives, Physician Assistants, Doctors of Medicine and Doctors of Osteopathy are encouraged to apply.
